GRAND TOTAL = _____________
Instruction for the Interviewers

During the interview, rate each firm on a scale of 1-5, with 5 being highest, in each of the eight categories. Enter the number under “Rating”.

At the completion of the interview, multiplying the rating by the pre-determined weight for each category, and enter the total. Add all totals to establish the grand total.

Combine all of the totals for those participating in the interview session. The preassigned weights are established with a maximum of 10 points for each category. A maximum of 400 points may be awarded, assuming all categories were weighted at 10, and the firm received the maximum 5 rating on each category.
GROUP INTERVIEW PROPOSAL EVALUATION FORM

(For use in compiling all scores of firms participating in the interview process.)

Enter the grand total for each firm, as recorded by each interviewer on the Interview Score Sheet. After all the entries are made and totaled, divide the combined group total for each firm by 400.

Project ________________________________________________________

RE: Technical Proposal Request

The firms listed above have been shortlisted. Technical proposals are requested for professional design services related to the work necessary to implement this project. (Specify study, design or other)

Attached are:

1. Technical Proposal Score Sheet, which will be used by the __________ Review group or individual

2. Evaluation form, for use of the person in charge, to compile the evaluation scores.

3. Copies of ____________________________________________________________________________________________

Name of studies or reports

compiled by ____________________________________________________________________________________________

Name of group

Technical proposals are due on ___________ at __________, and should be addressed to:

Date ________________ Time ________________

_____________________________ copies are to be submitted.

A briefing and tour of the site and/or facility will be arranged for ________________

Date

Please have your firm’s representative attend.

</table>

GRAND TOTAL ____________________

Multiply number of questions by 5 for maximum score as appropriate. Add each firm’s score following the reference check, and then transfer to the Letters of Qualification Evaluation Form as a line item on that firm’s evaluation sheet.
LETTERS OF QUALIFICATION EVALUATION

The following is a model. Add or delete questions as appropriate for your specific situation. We suggest using the same weights and values assigned be on the same scale as those used for interviewing shortlisted firms.

Highest numbers: most value / Rating columns: 1-5 points / Weight columns; 1-10, depending on importance to the project.

A form at the bottom of this page is provided to summarize the results of the process, to narrow the number of firms that submitted qualifications down to the number desired for a shortlist (firms to be interviewed).

GRAND TOTAL: 237

Instructions for Interviewers

During the interview, rate each firm on a scale of 1-5, with 5 being highest, in each of the eight categories. Enter the number under “Rating”. At the completion of the interview, multiply the rating by the predetermined weight for each category, and enter the total. Add all totals to establish the Grand Total. The person in charge will combine all of the totals for those participating in the interview session. The preassigned weights are established with a maximum of 10 points for each category. A maximum of 400 points may be awarded, assuming all categories were weighted at 10, and the firm received the maximum 5 rating on each category.
GROUP TECHNICAL PROPOSAL EVALUATION FORM

For use by the person in charge of the interviews to compile all scores of professional design firms participating in the interview process.

**Note:** Enter the grand total for each firm, as recorded by each interviewer on the Interview Score Sheet. After all entries are made and totaled, divide the combined group total for each firm by 400 for the maximum possible score.

Divide group totals by 400 for a composite score to determine the most qualified firm.

Blackhawk School District – Elementary School Addition

- Firm C = 4.38
- Firm B = 3.77
- Firm A = 3.58
